

We will sit down together and find out what your loved one wants to accomplish with her new smile, and **Dr. Anglis** will provide his expert treatment plan with all available options. **Dr. Anglis** will answer every question and address each concern. **With severe problems like these, the best decision is an informed one, and the worst decision is no decision.**

Is Your Loved One Anxious About Treatment?

If so, she is in good company! We offer oral sedation or anesthesiology services for peace of mind within our beautiful resorts on a nearly basis. Our patients' comfort is always ensured!

How Quickly Can This Be Done?

Dr. Anglis has created a specific schedule to accommodate almost immediate procedures, and treatment can usually be set into motion within weeks. Once our patients decide to move forward, they usually want it done "yesterday" and we work together to make it happen as soon as possible. Rest assured, your loved one will not be without teeth – not on our watch!

What Is The Cost Of Treatment?

Dr. Anglis will review your loved one's current x-ray image and offer the best options according to his individualized, detailed, customized plan and fees will be discussed at that time.

Please call us today at **1.877.526.4547** to schedule your complimentary visit and receive our welcome packet including Dr. Anglis' book, **Freedom**, and a CD featuring **Dr. Anglis' Dental Implant Seminar** as our gifts to you to enjoy in your home prior to your visit!

We Look So Forward To Your Visit!
